WARRANT FOR TOWN MEETING

To the Inhabitants of the Town of Fremont in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at The Town Hall in said Fremont on Tuesday, the fifth day of March, next at ten the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear the report of the Budget Committee, and to take such action as the town deems necessary.
4. To see if the Town will vote to allocate, appropriate, and authorize withdrawal from the Revenue Sharing Fund, established under the provision of the State and Local Assistance Act of 1972, for use as set off against budget appropriations in the amount indicated; and, further to authorize the Selectmen to make pro-rata reductions in the amounts if estimated entitlements are reduced or take any other action, here on;

Appropriation	Estimated Amount
Fremont School District:	
Principle Pymt. Bond Issue, 1972	\$20,000.00
Capital Improvements	7,500.00
Fremont Library:	
Operating and Maintenance Expense	1,100.00
Ray-Fre Senior Citizens Club, Inc.	
Facilities Rental-partial	1,000.00
Little League Ball Field	1,200.00
Fire Department	
Addition, dry hydrants, heat & lights	2,500.00
	\$33,300.00

5. Upon application of fifteen (15) legal voters; to see if the Town will vote to dedicate the land formerly occupied by the town shed as a perpetual park to the memory of Phillip Pratt, former resident of Sandown Road, a casualty of the Vietnam Conflict. Further, that the park be filled and landscaped, and a memorial plaque and flagpole be erected in his memory. Two (2) picnic tables and trash barrels be placed within the area. Further, that said piece of land be named The Phillip Pratt Park and that this park, with the above described items, be maintained perpetually by the Town of Fremont.

6. Upon application of fourteen (14) legal voters; to see if the Town will vote to raise and appropriate the sum of \$300.00 to fill, grade, loam, and seed and provide two picnic tables, two trash barrels, Memorial Plaque and flagpole to complete the Phillip Pratt Park proposed under Article 5.

7. To see if the Town will vote to take deeded title to the remainder of the paved section of a certain street named Rowe Drive, approximately 700 ft., located in Poplin Acres as set off in Poplin Acres plan, Section 1, from Charles K. and Louise M. Rowe, the present owners.

8. To see if the Town will vote to take deeded title to the street named Birch Street in Birch Haven Development located off Sandown Road from Robert H. Clement, present owner, after the road meets the requirements of the Land Subdivision Regulations of the Town of Fremont, as amended in 1973. Article VII, Sections B, C, F and O, and has been approved by the Selectmen and the Town Road Agent of the Town of Fremont.

9. Upon petition of thirty-three (33) legal voters; to see if the Town will vote to appoint the Selectmen to study and develop an orderly approach to the problem of Private Roads established by developers prior to the enactment of Land Subdivision Requirements setting standards for acceptance by the Town and make such recommendations at the next Town Meeting as they see fit leading to acceptance by the Town as public roads.

10. Upon petition of fifteen (15) legal voters; to see if the Town will vote to accept ownership of the right-of-way in the Riverside Drive area which were laid out by John and Levi Duston.

11. Upon petition of ten (10) legal voters; to see if the Town will vote to install a street light at the intersection of Riverside Drive and Route 107 for the safety of school children boarding school busses during hours of darkness.

12. Upon petition of thirteen (13) legal voters; to see if the Town will vote to authorize the Conservation Commission to accumulate in a conservation fund any funds appropriated by the Town from year to year for conservation purposes pursuant to New Hampshire Revised Statutes Annotated, Chapter 36, Section A:5.

13. To see what action the Town will take by ballot on the following question, "Are you in favor of the following amendments to the existing sections of the Town Zoning Ordinance as proposed by the Planning Board?" (italicized sections represent changes to existing wording):

ARTICLE IV

Section 1

Any new structure or extension of existing structure intended for any use shall be set back from the *street* property line at least 30 feet. *In the case of multiple family dwelling structures, the set back shall be increased by an additional five (5) feet per family dwelling unit, i.e., 30 plus 5 multiplied by the number of family units, feet, and any such structure shall be set back from the side and rear lot lines by at least twenty (20) feet except in the case of multiple unit dwelling structures, this set back shall be increased by an additional ten (10) feet per family dwelling unit, i.e. 20 plus 10 multiplied by the number of family units, feet.*

Section 2

Every building lot shall have a minimum lot frontage on Federal, State, and Town Highways, lakes, ponds, and rivers of 150 feet provided that where lots are located on exterior side of a curving street or short line a shorter front dimension shall be permitted, provided that the average width of the lot measured across its center shall be 150 feet. *Building lots on which multiple family dwellings are located shall have an additional frontage of 20 feet per family unit when less than five (5) family units and 40 feet per family unit when five (5) or more family units, i.e. 150 plus 20 multiplied by the number of family units or 150 plus 40 multiplied by the number of family units.*

Section 3

No lot shall be less than one (1) acre in area *except that lots on which multiple family dwellings are located shall be increased in area by 12,000 square feet per family dwelling unit when less than five (5) family units and by 20,000 square feet per family unit when five (5) or more family units, i.e. 1 acre plus 12,000 multiplied by the number of family units or 1 acre plus 20,000 multiplied by the number of family units. No lot shall have more than one occupied dwelling thereon.*

ARTICLE V

Section 1

A. All dwellings must be framed according to *accepted* building practices and outside walls shall be constructed and covered with shingles, siding clapboards, brick, stucco, or other generally acceptable materials.

B. All buildings not used as dwellings must be framed according to accepted building practices and outside walls shall be constructed of accepted building materials.

C. All buildings of material customarily painted shall be painted properly.

14. To see what action the Town will take by ballot on the following question, “Are you in favor of the following amendments, as proposed by the Planning Board, for the Town Zoning Ordinance?”

ARTICLE IV

Section 4 (New)

All building lots must be provided with at least 1½ off-street parking spaces per family dwelling unit. Each parking space shall be 12’ by 20’ exclusive of driveways. All open parking areas and garages shall meet the set back requirements as given in Section 1, Article IV.

Section 5 (New)

A. No driveways, walks, parking areas, buildings or other structures shall be located over septic tank and associated leaching field area.

B. All piping under driveways and walks shall be cast iron or equivalent.

Section 6 (New)

The maximum percentage of each building lot which may be occupied by buildings, off street parking areas, driveways, septic systems and associated leaching fields shall be thirty (30) per cent.

ARTICLE V

Section 9 (New)

All buildings and structures shall not exceed two and one-half stories or thirty-five (35) feet in height.

Section 10 (New)

All multiple unit dwellings shall conform to and shall not exceed the following limitations:

- 7 - 8 Family Unit Dwelling - 1 Bedroom maximum per family unit
- 5 - 6 Family Unit Dwelling - 2 Bedrooms maximum per family unit
- 3 - 4 Family Unit Dwelling - 3 Bedrooms maximum per family unit
- 2 Family Unit Dwelling - 4 Bedrooms maximum per family unit

Section 11 (New)

All existing structures if converted into multiple family dwelling units shall meet all requirements specified in the current zoning ordinances.

15. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of Taxes.

16. To see if the Town will vote to authorize the Selectmen to sell at private sale or public auction, property required by Tax Collector’s Deed.

17. To see what action the Town will take by ballot on the following question: "Shall the provisions of Chapter 187 of the revised statutes annotated relative to playing games of Beano be adopted in this town?"

18. To see if the Town will vote to authorize the Selectmen to apply for, contract for, accept and expend aid from the Federal and State governments in the event a declared disaster occurs within the Town; the authority herein granted to remain in effect until changed by future Town vote.

19. To transact any other business that may legally come before this meeting. NOTE: In accordance with R.S.A. 39:2-A adopted at the March Town Meeting, 1972, the first session of Town Meeting for consideration of ballot articles will open on March 5, 1974 at 10:00 o'clock in the forenoon and will remain open until 7:00 o'clock in the evening. The second session for consideration of the remainder of the Warrant Articles will be held at the Fremont Town Hall on Wednesday, March 6, 1974 at 8:00 o'clock in the evening.

Given under our hands and seal, this 17th day of February, in the year of our Lord nineteen hundred and seventy-four.

Town Clerk

MINUTES OF THE TOWN MEETING, MARCH 7, 1973

The recessed session of the town meeting was called to order March 7, 1973 at 8:15 p.m. by the Moderator, Louis J. Balestra. Mr. Balestra read the results of the voting on March 6, 1973. Elected Town and School Officials who were not previously sworn in were done so at this time. Mr. Balestra thought it was no more than right to give recognition to Mrs. Mary Vetter, who has served as a dedicated town clerk for many years, and to Mr. Philip Peterson who has contributed much time and effort serving the town of Fremont as Selectman.

Mr. Balestra proceeded to read the Town Warrant.

Articles 1 and 11 had been voted on by ballot, March 6, 1973.

Article 2: To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. A motion was made by Mr. George H. Bassett and seconded by Mr. C. Merton Healey that this article be accepted as read. The motion was passed by voice vote.

Article 3: To hear the report of the Budget Committee, and to take such action as the Town deems necessary. A motion was made by Mr. Fred Gobron and seconded by Mr. Edward Monac that the budget be read column by column. Mr. Edward Hynes presented the budget column by column. Mr. butler presented the following amendment to the article: "There shall be no expenditure of monies for the development of the Memorial Park, other than for the continuation of the work now in progress on the Little League Field, until the boundaries of the tract of land upon which the park is to be situated are resolved by mutual agreement as to the exact location of said boundaries to the satisfaction of the Selectmen and of each of the abutters and until appropriate modification to the existing deeds are registered with the Register of Deeds of Rockingham County." Mr. Larson made the motion and seconded by Mr. Fred Gobron that the article be accepted with the amendment. The motion passed by a voice vote.

Article 4: To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to be deposited in the Waste Disposal Capital Reserve Fund. The motion was made by Mr. C. Merton Healey and seconded by Mr. Robert Waddell that the motion be accepted as read. The motion was passed by a voice vote.

Article 5: To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for budgeted expenditures of

the Fremont School District for the following capital and debt service account incurred for "priority expenditures" since January, 1972.

Purpose: New Building Construction (1972)	\$15,000.00
Partial Interest on Indebtedness, Note Issue of 1972	<u>6,000.00</u>
	\$21,000.00

Mr. George Bassett made the motion and seconded by Mrs. Ruth Anderson that the motion be accepted as read. The motion was passed by a voice vote.

Article 6: To see if the Town will vote to build an addition on the present Fire Station, this addition to be constructed at the rear of the existing building and to consist of two additional truck bays, and further to see if the Town will vote to raise and appropriate the sum of \$5,500.00 to start construction of said addition, with the stipulation that before construction is commenced, satisfactory arrangements shall be made to lease or take deed to the land to be occupied by the structure, and that proposed construction shall meet all stipulations required by the Fremont Planning Board. Mrs. Ruth Anderson made the motion that it be accepted as read and seconded by Mrs. Huckins. Discussion followed. A motion was made to amend the article by Mr. Thomas as follows. "To find a piece of land in the area of Riverside Drive to build a two-car or truck garage for the fire units." The motion failed by a lack of a second. Mr. Bassett made the motion that this article be tabled until after Article 13 so that a Fire Department Chief could be called in to explain the article as proposed. Mr. Clinton Ebert seconded the motion. The motion was passed by voice vote.

Article 7: To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set off against the budget appropriation in the amount of \$5,500.00 for the purpose of beginning construction of a fire station addition. Mr. Larson made the motion and it was seconded by Mr. Monac that this article also be tabled until Article 6 has been voted on. The motion was passed by voice vote.

Article 8: To see if the Town will vote to authorize the Selectmen to sell Albert Akeley property acquired by Tax Collector's deed to its former owner, Albert Akeley, through his attorney, Maurice Gordon, for a price representing the balance of taxes due plus all costs and interest to date of transaction. Mr. George H. Bassett made the motion that it be accepted as read, and Mr. Robert Waddell seconded the

motion. A discussion followed, and Mr. Bassett explained all the details involving this transaction. The motion was passed by a voice vote.

Article 9: To see if the Town will vote to authorize the Selectmen to sell at private sale or public auction property acquired by Tax Collector's deed. A motion was made by Mr. Timothy Louis and seconded by Mr. Stephen Menard that this article be accepted as read. Discussion followed and Mrs. Joan Young made the motion that a substitute article be put in. Mrs. Young's article to read, "To see if the Town will vote to authorize the Selectmen to sell at Public Auction, property acquired by Tax Collector's deed and to give Public Notice of same by advertising the time and place of such auction in a local paper two weeks beforehand, and advertise also, by posting notice at the Town Hall, Post Office and one other Public Place." Mr. Tendick seconded the motion. The motion was passed by a voice vote.

Article 10: To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes. The motion was made by Mr. Whitman that the article be accepted as read. Mr. O'Connell seconded the motion. The motion was passed by a voice vote.

Article 12: To see if the Town will vote to direct the Selectmen to have one additional street light installed at the intersection of South Road and Scribner Road as requested by petition. Mr. Ebert made the motion that the article be accepted as read and Mr. Monac seconded the motion. Discussion followed. Mr. Larson made the motion that there be a hand vote to clear up the matter and Mr. Fred Gobron seconded the motion. The results were: 57, Yes and 37, No. The motion was passed by hand vote.

Article 13: To see if the Town will vote to take deeded title to the paved section of a certain street named Rowe Drive located in the Poplin Acre Development from Charles K. and Louise M. Rowe, the present owners, all according to Article 9, Town Warrant for March Meeting, 1966, and action taken at that meeting. The motion was made by Mr. Stephen Menard that the article be accepted as read. It was seconded by several others. A lengthy discussion followed and the Selectmen explained the Warrant referred to in 1966. Road Agent, Mr. Joseph G. Bolduc, explained that he inspected the road and it is adequate and meets the stipulations and it should be accepted. Mr. Fred Tidd made the motion that all discussion shall cease and a vote be made and Mr. Edward Hynes seconded the motion. The original motion was passed by a voice vote.

Article 6 and 7: Returned to Article 6 and 7 at this time. Mr. Davis made the motion that Articles 6 and 7 be drawn from the Table. Mr. C. Merton Healey seconded the motion. The motion was passed by a voice vote.

Article 6: To see if the Town will vote to build an addition on the present Fire Station, this addition to be constructed at the rear of the existing building and to consist of two additional truck bays, and further to see if the Town will vote to raise and appropriate the sum of \$5,500.00 to start construction of said addition, with the stipulation that before construction is commenced, satisfactory arrangements shall be made to lease or take deed to the land to be occupied by the structure, and that proposed construction shall meet all stipulations required by the Fremont Planning Board. Mr. George McIntosh, Assistant Fire Chief, was called in to explain the proposed Article 6. After a lengthy discussion, Mr. Butler proposed the following amendment, speaking in behalf of Mr. Davis, by striking out "this addition to be constructed at the rear of the existing building." Hence Article 6 to read as follows. "To see if the Town will vote to build an addition on the present Fire Station, or a separate structure at another suitable location and to consist of two additional truck bays, and further to see if the Town will vote to raise and appropriate the sum of \$5,500.00 to start construction of said addition, with the stipulation that before construction is commenced, satisfactory arrangements shall be made to lease or take deed to the land to be occupied by the structure, and that proposed construction shall meet all stipulations required by the Fremont Planning Board." The motion was seconded by Mr. Larson, to accept the amendment as read. The motion carried by voice vote to accept amendment as read. Article carried by voice vote.

Article 7: To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set off against the budget appropriation in the amount of \$5,500.00 for the purpose of beginning construction of a fire station addition. A motion was made by Mr. Iram to accept the article as read. Mr. John Reynolds seconded the motion. The motion was passed by voice vote.

Article 14: To transact any other business that may legally come before this meeting. Mr. Joseph Bolduc, Sr. introduced Mr. Bill Sanborn, State Senator from Deerfield, N.H. He spoke a few words to the townspeople. Mr. Timothy Louis made the motion to adjourn and Mr. Monac seconded the motion. Passed by voice vote.

Meeting adjourned at 10:30 p.m.

Given under our hands and seal, this 19th day of February, in the year of our Lord nineteen hundred and seventy-three.

SELECTMEN'S REPORT

This past year has been a most difficult and yet rewarding one for the officers of the Town of Fremont.

With the completion of the addition to our Ellis School plant we now have adequate space for grades one through eight with library and science space and a multi-purpose room which will serve as a cafeteria and gymnasium as well as providing space for large group meetings. Much credit should be given to all the people responsible for creating this effective addition to our school plant with a minimum expenditure of tax dollars.

During April of this past year the town was faced with losing our postal identity since we were informed by the Post Office Department they could not renew their lease and would be forced to consolidate their operation if suitable quarters could not be made available. Much credit is due to Charles Rowe, who at the request of the selectmen renovated space in the basement of the town hall on an overnight schedule, doing this work on a straight cost basis, allowing the Post Office to move on the expiration of their lease without any interruption in service. The rent established for this space was sufficient to recover all construction costs and the added heat and light required so that no increase in town expenses resulted.

Consideration was given to providing permanent facilities in the town hall but it was the opinion of the selectmen that the Town should not be in competition with private enterprise and thus the Post Office Department advertised for bids to build the required space to be rented by them on a long term lease. As you know such space is under construction and should be available early in the spring. When the space now occupied by the Post Office is vacated it can be allocated to other Town functions such as a meeting and working space for Town committees.

One other effort which has been underway for the last two years is the Little League Baseball field which is now nearing completion. Much credit is due to the efforts of all the volunteers who have cut trees, hauled brush, leveled graded and loamed this field. As a result of this volunteer labor and Joe Bolduc's donation of time and his equipment on a no cost basis this project has been brought to its present state with a minimum expense to the taxpayers. It is expected that this field will be completed during 1974 so that we will have available for our young people an area commensurate with their enthusiasm.

One event still fresh in our minds is the fire which destroyed the

Spaulding & Frost Cooperage and meant not only the loss of the last white pine cooperage but the jobs of people with unique skills and a tradition that has long been a pride of the Town. The skills demonstrated by our own fire department members and those responding on a Mutual Aid basis averted a more disastrous situation. Our own department, two of whom received second degree burns, contained the fire long enough to enable the other departments to arrive and set up their equipment. Even before this fire was under complete control much work was being done to re-establish the heat, power and communications at the Fremont Fire Station which had suffered considerable damage from the fire. Since most of these services had been supplied in the past from the mill, it took the concerted efforts of many volunteers to re-establish them on an emergency basis and much credit should be given to those involved.

Much credit should be given to all volunteers and police from the State, police, sheriff's department and surrounding towns who directed traffic, hauled hoses, closed in buildings and worked with our local police to avoid congestion and safeguard property.

When this fire was barely under control state representatives and senators were on the scene and before dawn the governor through his assistant, Jay McDuffy and Mr. Adams, Commissioner of Employment Security were in Fremont to aid in easing the employment problems and accepting unemployment claims without the normal waiting period. Also present with Mr. McDuffy and Mr. Adams were Mrs. Merrill of the Public Utilities Committee, Senator Sanborn and Representatives Cummings and Hoar. Through the efforts of this group of state officials the fullest cooperation of all state agencies was obtained to aid in establishing normal services to the area. The determination of Mr. Dave Forman, with the encouragement of all state agencies, will in all probability result in the rebuilding a new and better Spaulding & Frost plant within the Town. If all the people concerned can meet the responsibilities of the future with the same determination we have shown to this point, we can assure this plant's continuance as an industry and as a tradition in our town.

During this disastrous fire and the days that followed, we saw demonstrated many of the best things about a small town. To mention a few was the cooperation of organizations and the women of the town who provided hot meals for workers throughout the three days of cleaning up after the fire, the interest of the American Legion "Forty and eight" for providing for families with children who had been affected by the fire. This spontaneous action on the part of groups is a

source of amazement to many who have never seen a small town put its shoulder to the wheel to meet an emergency.

The Fremont Volunteer Fire Department has been working quietly and without fanfare on an addition to the fire station which has been built in the Old New England tradition of ingenuity and cooperation. They cut the logs for lumber on Town land, hauled them to the mill with volunteer services, hauled the sawed lumber back to site, poured the concrete foundation and reinforced floor and erected the addition, which at this point is weather tight and with partial interior finish completed, all with volunteer labor and the use of donated equipment. A special mention should be given to Danny McKay who designed and supervised the construction including the concrete work. It is impossible to mention all of those who contributed with equipment, labor and materials, from cutting logs to the standing building, but to each we owe dollars on our tax bills and a lift in our pride in true small town cooperation.

REPORT OF THE POLICE CHIEF

This is my last year to serve you, the people of Fremont, as your Chief of Police. I would like to thank each and every one of you who have supported me through the years. I would like to say that it has been a pleasure to serve you.

Our police records for the year of 1973 reads as follows:

- 7 arrests were made
- 1 armed robbery
- 9 breaks
- 3 attempted breaks
- 2 thefts
- 9 automobile accidents
- 2 acts of vandalism

We were called to inspect several persons bitten by dogs, to settle family troubles, to check a few cases of cars parked in the road. We were also asked to check horses running loose and to determine the cause of false alarms from Paul's TV Shop.

We have had several calls regarding snowmobiles skiing on private property or in the road.

We have made quite a number of trips to various hospitals, namely, The Exeter Hospital, The Portsmouth Clinic and to the hospital in Concord.

We have received messages by telephone for other persons, these have all been delivered.

We have been asked to make out questionnaires for insurance companies and applications for Selective Service. These have all been answered and mailed.

I wish to thank all of my deputies who have been so faithful to duty and who so willingly served me whenever called.

Respectfully submitted,

Joseph Bolduc, Sr.
Chief of Police

REPORT OF THE FIRE CHIEF

The Fire Department had 28 runs during 1973, besides going out of town 3 times and checking the dump.

During the year the P.T.A. bought us an F.M. Base Station (complete) and the Firemen's Association bought two F.M. Mobile Units which are in Engine 2 and Tanker 3. We would like to thank both groups for this equipment.

By having the F.M. Radios, we are on the Interstate Mutual Aid System channel of which we are a member.

The new fire station addition is useable, and we have all our trucks at the station now. It is still in the finishing stage.

We would like to thank everyone who helped out on the building of the addition. We cannot thank everyone personally but we would like to in this report.

I would like to thank the Committee who was in charge of getting the addition built and our head boss, Dan McKay.

I would also like to thank Thelma Blye for giving the Fire Department a portable emergency oxygen unit. This can be used until our bigger unit gets here.

This next part is one I don't like to report but it happened and there was nothing we could do about it.

On Thursday, December 6, 1973 around 4:15 in the evening, we had the worst fire we have had in 51 years. The Spaulding & Frost mill burned to the ground. I can remember the fire in 1922, but I have never seen a fire go as fast as this one did. We called Exeter for mutual aid and 12 towns came to our aid. They all did a fine job. The towns who were called were: Exeter, Raymond, Durham, Sandown, Chester, Brentwood, Kingston, Epping, Danville, Stratham, Newfields, and Kensington. I hope I have not left any out.

The Police Departments who helped were: Kingston, Chester, Raymond, Sandown, State Police and Sheriff's Department and our own police. We would like to thank everyone who helped out in any other way.

I have sent a letter of thanks to each Fire Department and Police Department who was there.

I understand Spaulding and Frost is going to start to rebuild the mill in the spring after the mess is cleaned up and hauled away.

I hope I have not forgotten anyone in this report. If I have, I thank you anyways.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

We went out a number of times to fires but they did not get too big. The quick work of the firemen kept them down. The fires we had, burned about 3 acres in all.

We had one spell in October, we had 5 fires in 6 days but we kept them small and had a hard time finding them, but the weather was with us. These fires we had, we had an idea who was setting them, but we could not pin the person or catch them.

I would like to thank everyone who helped on our Brush Fires in 1973.

We have been called by the lookout towers a number of times to check or wet down the town dump.

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the Forest Fire Warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the Fire Warden. Except for cooking fires, no fire can be kindled between 9:00 a.m. and 6:00 p.m. unless it is a commercial or industrial burn or it is raining. The Fire Warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72% of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool, but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.

REPORT OF THE BUILDING INSPECTOR

This past year, the Building Inspector of the Town of Fremont has issued the following permits:

New Construction — 21
Alterations — 17

Please advise those contemplating new construction or alteration to secure proper permits before starting work in order to avoid expense, embarrassment, and penalties for violation that frequently results from starting work without regard to the code or permit requirements.

Respectfully submitted,

Lester F. Blackwell
Building Inspector

FREMONT CONSERVATION COMMISSION

The Fremont Conservation Commission were reactivated in 1973 with the appointment of six new members. Members of the Conservation Commission are listed with Town Officers in this report.

Enthusiasm is now high and a series of programs and projects has been planned for the year. The first wild life adventure program was geared for the whole family and consisted of a lecture and wild animal demonstration. The Town responded enthusiastically with more than 200 persons attending.

The Commission has inspected the old Town Salt Shed site which is proposed to be developed as a small town park. After preliminary work of filling and grading is completed, the plan is to landscape the site with trees and shrubs and install park benches. This is a joint project of the Conservation Commission and the Community Club.

We would welcome your suggestions for other Conservation projects, just get in touch with any of the members.

SCHOOL DISTRICT MEETING
Fremont, New Hampshire
March 12, 1973

The meeting opened at 8 P.M. with the reading of the Warrant by the Moderator, Timothy Louis.

Article I: To hear the reports of agents, auditors, committees, or officers chosen and pass any vote relating thereto.

Mrs. Ruth Anderson moved that the reports of agents, auditors, committees and other officers chosen be accepted as printed in the School District Report. Mr. Robert Louis seconded the motion and the motion carried.

Article II: To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the district.

Mr. Robert Louis made a motion that since the salaries of the School Board, Truant Officer and Agents are covered in Article III, he moved that the Article be by passed at that time. Mrs. Ruth Anderson seconded the motion. The motion carried.

Article III: To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for the school district officials and agents and for the payment of statutory obligation of the district.

Mr. Robert Louis moved that the district raise and appropriate the sum of \$286,231.00 for the support of schools, for the payment of salaries for the school district officers and agents and for the payment of the statutory obligations of the district. The motion was seconded by Mr. George H. Bassett, and the motion carried.

Article IV: To see if the district will authorize the School Board to transfer any unencumbered balance from the 1972-73 school district appropriations into the building fund.

Mr. Robert Louis moved that the district authorize the School Board to transfer any unencumbered balance from the 1972-73 school district budget into the building fund. Mr. Stephen Menard seconded the motion, and the motion carried.

Article V: On petition of ten legal voters (and more) to see if the Fremont School District will vote to discontinue the transportation of High School Students.

Mr. Theron Young Sr. made a motion to reject Article V. The motion was seconded, and the motion carried to reject Article V.

Article VI: To transact any other business which may legally come before this meeting.

Resolution I: Whereas, a question has arisen concerning the proper location of certain boundary lines of land owned by the Fremont School District Willard R. Davis and Doris P. Davis, and Whereas, because of said question, a further question arises concerning the boundary lines between Willard R. Davis and Doris P. Davis and Freddie LeClair and Rowena LeClair, and Whereas, said properties are contiguous and located on the Southerly side of Beede Road, so called, and Whereas it is advantageous for the Fremont School District to resolve and correct the questions concerning the location of said boundary lines, Now Therefore be it resolved that the Fremont School Board is hereby authorized to establish a positive location for the boundary line between property of the Fremont School District and the property of said Willard R. Davis and Doris P. Davis and in connection therewith, to sign an appropriate deed on behalf of the Fremont School District and to negotiate the terms thereof provided however, that no monetary consideration shall be paid by the Fremont School District for property of said Willard R. Davis and Doris P. Davis in establishing said boundary line.

Mr. Timothy Louis moved that the discussion period on the above Article be closed and voted upon. All were in favor of the resolution with no objections. The resolution carried.

The second resolution was made and seconded and carried to thank Mrs. Barbara Baker who served as School District Clerk of the Fremont School District since 1969.

Resolution III: was offered by Mrs. Ann Hayward — be it resolved that whereas each member of the School Board has been elected by a majority of the voters present, and whereas each member has accepted by oath of office the responsibility to work constructively as a board to discharge its responsibility that the present board be instructed to function as a board of three members including scheduling meetings to make it possible for all members to be present. Equal dissemination of the information to board members, and equal participation of all members in the areas of setting policy and making decisions regarding the governing of the School District. All were in favor of Resolution III and the Resolution carried.

Mr. Theron Young Sr. made a motion to adjourn the meeting at 8:55 P.M. The motion was seconded, and all were in favor. The Fremont School District meeting of March 12, 1973 closed at 8:55

SUPERINTENDENT'S REPORT

This year the Superintendent asked Mr. Standen to write a few words regarding Ellis School in Fremont. The following represents his response:

"The staff at Ellis School this year is very much concerned about what schools are doing for our children. We do not want to simply put in a school day and complete an assigned unit of work by a specified date. In the past schools have been asking students to conform to a rigid pattern of educational development. Today our society demands more creativity and independence from our young people.

By this we do not mean that each student should work independently throughout the school year. The school program should be flexible enough to allow for some individual work, small group projects and programs shared by the class as a whole. Even within small study groups it is possible to teach students to be self-directing and work at an individualized pace.

Today students should be taught to set goals for themselves that will have some kind of meaning with respect to their futures. They can be taught how to achieve these goals and then be able to test their merit. Students should be urged to ask more questions and learn to think. An education institution such as Ellis School should be a concept of education as well as a place to achieve educational goals.

School should be a dynamic experience that draws upon the best thoughts and ideas of the community as a whole. Change has been resisted by many but schools must change to some degree if they are to be relevant to the individual student.

In order to achieve the kind of program outlined above, we must be aware that we need the tools and the desire. By tools we mean the educational materials, namely textbooks, library and audio-visual materials, supplies such as paper, pencils, science and art materials, film rentals and field trips. We mention these tools only because their cost becomes greater with the passage of time. The desire must be shared by students, parents and teachers in order to achieve the kind of quality education we want for the individual.

We do not believe these aspirations for our young people are too high since we cannot settle for a second or third class education for our young people. This would not be fair to the Town of Fremont and its citizens."

In addition, we are pleased to report that the reassignment of grade 8 in September 1973, to Ellis School seems to be working out very well. As was mentioned earlier in these reports, certain educational programs have been curtailed, i.e. home economics, shop, guidance, physical education, etc. However, with our new school addition and with increased staff, we are making every effort to compensate for these losses. I hope we are being successful.

The citizens of Fremont are fortunate, indeed, to have such a competent staff, administrator and school board, who are providing within the framework of our present energy crisis, such an excellent educational program.

Respectfully submitted,

Francis W. Wilson,
Superintendent of Schools
